Money For Nothing

Infinite Water Inc. and Infinite Complex, having begun investment as an Operating Private Equity, considers where other investment forms are placing their funding. Angels, Venture Capital, Family Offices and other forms of Private Equity seem to have developed tunnel vision. **AI** has blinded money needed by start-ups as well as funding that is required for sectors involved in the needs of humanity. This week alone these transactions were reported:

Kargo, an industrial artificial intelligence (**AI**) technology company, raised **\$18M**.

Beewise, a climate tech company developing the **AI**-powered

BeeHome, raised **\$50M** Pactum, a provider of an agentic **AI** platform raised **\$54M**

Swimlane, a provider of **AI** automation solutions for security organization, raised **\$45M**.

Trustible, a provider of an **AI** governance platform enabling safe and compliant **AI** adoption raised **\$4.6M**
